

Trails West Elementary PTO Grant Application

Applicant: Nancy Carroll

Request: Book Room Organizational Supplies

Amount requested: \$300

Will there be reoccurring costs associated with your request? If so, how much: None

Description of program:

We are excited to be working on organizing an Intermediate Book Room for 3rd-5th Grade teachers this year. All materials have been compiled in one room. We will need stickers, book tape, bins, etc in order to organize the materials so they are easy for teachers to access and use in the classroom.

How will this enhance or improve student performance?

Literacy is such an important skill for students. Trails West has always been committed to provided a variety of levels and subjects to students as they develop their reading fluency and comprehension skills. With our new reading curriculum, each classroom needs access to even more fiction and non-fiction materials and each students independent reading level. Organizing the materials in a central location will help us to provide these essential materials for each student.

Evaluation/results:

Results will be that the Intermediate Book Room will be organized and available to staff to use throughout the year.
