

Trails West Elementary PTO Grant Application

Applicant: Kindergarten (Michele Wetherbie and Robin Ruygrok)

Request: A set of running record assessment books (Lucy Calkins)

Amount requested: \$108.50 (no shipping or tax required according to order page)

Will there be reoccurring costs associated with your request? If so, how much: no

Description of program:

We would like to be able to purchase a set of books that our new Lucy Calkins reading program recommends to use for running record assessments. There are 22 books in the set (levels A-K). These books would help us with more formalized running records on our children to be used as formative assessments throughout the year.

How will this enhance or improve student performance?

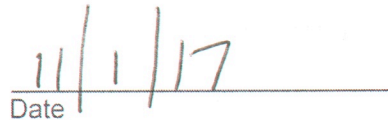

It will give us a more standardized running record in order to be able to gather comparable student data, track student learning, and use these results to modify our teaching; thereby increasing student performance by being able to move through reading levels at a more consistent rate with the data to support it.

Evaluation/results:

Has this request been previously funded? Yes No

If yes, who funded it previously? _____
